We Can Help You While You Help Us

Invest in Education, Invest in Your Community!

Local residents and community members will recognize that you and your business support the community. Education is such a great pathway to a better future for our youth and in Foresthill we need the communities support to help insure a brighter future for our children. For many kids, athletics, the arts and vocational education are what keep them interested in school.

The Wildfires Booster Club has developed this exciting fundraiser designed to help you promote your business *and* promote healthy, educational programs and clubs at Foresthill High School. We would like to extend the offer for you to advertise your business on a sign at Foresthill High School. A 3'x 4' sign will be displayed on the track for all to see during home football games and on the fences during baseball and softball games. Inside the gym we will hang a separate 3' x 2' sign to be displayed year round visible during educational, sporting and social events. Or you can choose to display a 4' x 8' sign on the fence surrounding the track/football/soccer field year round and have a 3' x 2' sign in the gymnasium year round as well.

You tell us where you want the funds raised from your advertisement to go. Do you have a sport or activity you would like to support? Do you have a family member or friend who participates in one of FHS programs? Or, would you like the funds to go to the general fund to help our whole school. It's your choice!

F.H.S. Sign Advertisement
