

Scholarship Application

2012

Premiere Elder Care, a board and care home for the elderly, is pleased to offer two scholarships for Foresthill High School seniors graduating this spring. Application deadline is Friday, May 1, 2012 at 4:00 p.m. No application will be considered after that. Each scholarship is granted in the amount of \$250.00 and can be used by each winner as he or she chooses.

The Krista Watt Scholarship is intended to encourage graduating students who intend to start a business. This award is not determined by class grades, but by the quality of the application project, the "Here's Where I'm Headed" statement, and the in-person interview.

Are you married? Children? Location? How much money do you produce? Are you self-employed or working for someone else? What is the source of your income? What job skills do you have, and what skills do you need? How will you acquire the skills you need?
2. Applicants for this scholarship must also submit an application project in the form of a written business plan. Formats and suggestions for basic business plans can be found online at The Small Business Administration. The business plan should not exceed 15 pages.
